

To Clerk of Bankruptcy Court U.S. Bankruptcy Court,
U.S. Bankruptcy Ct., Southern District of N.Y.
One Bowling Green New York, N.Y. 10004-1408

I am bitterly appased to my formerly greatest
Co. in the world being taken over by the union
& Fed. Gov. I gave 10% of my salary for 25 years, not
permitter to first 5 years for G.M. stock which was
supposed to give me a comfortable retirement. Stock was
valued at 30 dollars till pall. showed new pros.
winning. The UAW. gave him many millions &
continue to do so. He has now rewarded union
to put them & Federal gov in charge & Control
of G.M. a sure Panacea for for disaster.

This had been a great Company but if these
two get Control there is no way for G.M.
to remain solvent. Our gov is also headed
for similar fate unless people who made
this Country what it is rise up & save it.
